Sir,

I have the honor to address you with reference to the printing and publishing of the "Mysore Law Reports."

Being now Proprietor of the "Daily Post Press" I am prepared to carry on the Reports in the same manner as my late father did for the past 14 years, but before undertaking the Volume for the current year, I should like to know whether Government will confirm with me the arrangement under which my late father worked as number of outside Subscribers is too small to make it worth while to undertake the work unless I have the support of Government as heretofore.

I have made arrangements with Mr. G. F. Travers Hoopes. B.A., L.L.B., Barrister at Law, and Advocate of the Chief Court, Bangalore to Edit the Reports.

I may add that if it is desired to bring out the Reports by monthly numbers, like the [redacted] Law Reports I am willing to do so, and will conform strictly to all the Conditions of the previous [illegible] with my late father

I shall be obliged by you submitting this to Dewan and taking his orders at as early a date as possible

I understand that the Government have not yet passed orders definitely as regards the continuance of the Mysore Law Reports.

2 — Should it be decided to issue the Reports hereafter from the "Daily Post" Press, I have made an arrangement with the Proprietor of the Press Mr. R. H. Hayes, to edit them. The last Volume, which was left unfinished by Mr. Hayes' late father was completed by me.

3 — Should however it be decided to print the Reports at the Government Press, I beg to offer my services as Editor; or I would be willing to undertake the duties of Law Reporter to Government such as are discharged by the Reporters of the Indian Law Reports in the Presidency Towns

you will submit this for the consideration and orders of the Lords.

Sir,

I am directed to forward for the favor-

=panying letter No. R. 36 dated 9th June 1893,
to your address, received from Mr. Travers
Drapes, Barrister-at-Law, requesting that he
may be styled, Law Reporter to Government. The
proposal involves no extra expense to Govern-
=ment, but simply aims at a recognition of
Mr. Travers Drapes' position in connection
with the Law Reports. It will, in the opinion of
the Judges, give more prestige and name to
the Mysore Law Reports, that they should be
edited by a Barrister-at-Law of Mr. Drapes'
standing and experience.

Sir

The orders of Government No: 19107 — 8 J.F. 162-92 D/ Bangalore 15th May 1893, on the subject of printing and publishing the Mysore Law Reports have been communicated to me by Mr. Richmond F. Hayes.

2 ——— One of the conditions on which Mr. Hayes is authorised to issue the Reports is that they are to be edited by me, I having previously intimated my willingness to undertake the work.

3 ——— I have now the honor to submit that it will greatly promote the efficient and satisfactory performance of my duties and facilitate their discharge if I am given a recognised status in relation to the Reports.

4 ——— Those members of the Bar who edit the Indian Law Reports in the Presidencies are gazetted as Law Reporters to Government and I would respectfully ask that a similar official recognition be granted to myself.

5 —

5th — It will be seen from the accompanying letter that Mr. Richmond Hayes has no objection to this but on the contrary approves of it. It would entail on the Government no financial or other obligation of any kind whatever, but merely accord the official recognition in connection with the authorised Law Reports of the Province.
